

Powder River Conservation District

Annual Plan of Work FY 2016-2017

Mission Statement

The Powder River Conservation District's mission is to provide education and leadership for the conservation of our natural resources, the wise use of Wyoming's waters, the improvement of our environment, and the preservation of our agricultural heritage through a responsible conservation ethic.

ADMINISTRATION & OPERATIONS

ADMINISTRATION AND OPERATIONS GOAL: To be accountable for all public funds and ensure all District programs are carried out in a responsible manner.

- Maintain a legal and balanced District budget.
- Attend board meetings and keep an official record of all board meeting decisions.
- Complete Financial Reviews and Audits as required by law.
- Comply with Chapter 1, Wyoming Conservation Districts Financial Policies in order to receive state funding.
- Complete all state and federal reports.
- Continue to seek alternative funding sources through available grants.
- Meet the public needs by providing information or referral.
- Participate in all meetings required and pertinent to District operations.
- Continue to develop and maintain partnerships between the Natural Resources Conservation Service, University of Wyoming Extension Service, Wyoming Game & Fish, United States Fish & Wildlife Service, Wyoming Department of Environmental Quality, Wyoming Department of Agriculture, Forest Service, Bureau of Land Management and other entities.
- Provide opportunities for professional development of staff and board members.
- Address local concerns and planning through cooperative efforts with the Town of Kaycee.
- Assure that the District's Mission Statement is being met.
- Continue to administration of the Kaycee Stock Trail Users Coordinated Resource Management program.

INFORMATION DISSEMINATION

INFORMATION DISSEMINATION GOAL: Provide information to the local community, and local, state, and federal agencies to increase natural resource awareness through a comprehensive media plan.

- Continue to publish the quarterly District Newsletter-"Powder River News" which is sent out to approximately 340 Southern Johnson County residents.
- Continue to maintain and update the District website: www.powderrivercd.org.
- Promote information about conservation programs and activities to the community through local newspapers, and the District newsletter.
- Involve the agricultural and urban communities in the District's Long Range Planning efforts.
- Photograph District activities and events.

TREE PROGRAM

TREE PROGRAM GOAL: Promote tree plantings to reduce erosion, improve aesthetic values, enhance wildlife habitat cover, enhance energy conservation, and protect livestock.

- Hold the annual seedling tree sale.
- Hold the annual large stock tree/shrub sale.
- Prepare and offer applications for tree orders to qualified applicants.
- Assist customers with species selections for their area and soil type.
- Provide information for proper tree planting, care, and maintenance.
- Provide outreach materials and hands-on programs with the local schools and youth organizations concerning the importance of trees.
- Provide technical assistance in the design of windbreaks, stream bank stabilization, other conservation plantings and drip irrigation systems.
- Maintain existing living snow fence projects.

EDUCATION/OUTREACH

EDUCATION/OUTREACH GOAL: Will strive to strengthen, expand, and build a strong public education and outreach program that will create an understanding of natural resource conservation through a variety of youth and adult education opportunities.

- Work with local school administrators and teachers to promote and implement Ag-in-the-Classroom projects, such as:

- * World Water Monitoring Day
- * Ecology Camp
- * Adopt a Tree Program
- * Earth Day
- * National Ag Day
- * Minerals
- * Wildlife Habitats
- * Natural Disasters and their effects on a community
- * Germination & Transplanting

- Support the Johnson County 4-H Program and the Kaycee FFA.
- Promote the Wyoming Ag in the Classroom Toolboxes to area schools, Boys and Girls Clubs, and 4-H groups.
- Continue to sponsor and participate in the Black Hills Natural Resources Youth Camp.
- Sponsor and assist educational workshops targeted towards natural resource issues.
- Continue outreach efforts by providing educational presentations on District projects and activities to the residents of Southern Johnson County, natural resource managers and agencies, and elected officials.
- Host a Estate Planning Workshop designed to assist landowners with planning for future generations.
- Educate elected officials on Conservation Districts and Natural Resource Issues.

SPECIAL PROJECTS

SPECIAL PROJECTS GOAL: The PRCD will strive to ensure that all aspects of both rural and urban conservation project efforts are achieved.

- Host the Annual Well Water Testing Program to insure the health and quality of private water wells.
- Work with the Town of Kaycee to put on the Annual Arbor Day Celebration.
- Work with Johnson County Weed & Pest and the Lake DeSmet Conservation District to start a county wide Noxious/Invasive Species Removal Program
- Work with Lake DeSmet Conservation District to put on the annual Johnson County Hazardous/Household Waste Collection Day.
- Continue the sale of irrigation dam material, drip irrigation supplies, rain barrels, composters, and weed barrier.

- Be an active member of the steering committee for the BLM's Resource Management Plan Revision.
- Work with the Town of Kaycee to prune and mulch trees within city limits.
- The PRCD will continue to fund it's Cost Share Program offered for small projects to support conservation practices that will benefit our natural resources.
- Work with the Town of Kaycee and the Buffalo Recycling Board to promote and support the recycling program in Kaycee.
- Continue to work with the Boys and Girls Club of Kaycee to improve their community garden that they will maintain. The produce grown from the garden will be given to those in need in our community.

- The PRCD in conjunction with the NRCS, local landowners, Town of Kaycee, the Johnson County Commissioners and the Johnson County School District are working together on the Middle Fork Stream Bank Stabilization Project which will remove/stabilize cut banks along the Middle Fork of the Powder River through the Town of Kaycee.
- The PRCD will continue their E-Waste Collection Program. The items collected in this program are taken to the recycling center in Buffalo, WY.
- The PRCD will continue to work with the NRCS, local landowners, Johnson County Commissioners, and irrigation users to repair damages caused by flood waters in the spring of 2015. The project sites include the Nolan Diversion, Sahara Diversion, and the stream bank of the Middle Fork of Powder River through Kaycee,

We, the Supervisors of the Powder River Conservation District, as duly authorized by the Wyoming Conservation District Law, hereby adopt this 2016-2017 Annual Plan of Work as the guide for work priorities within this Conservation District for the 2016-2017 fiscal year.
